THERE'S A SLATE OF CANDIDATES YOU CAN COUNT ON FOR ONE THING...

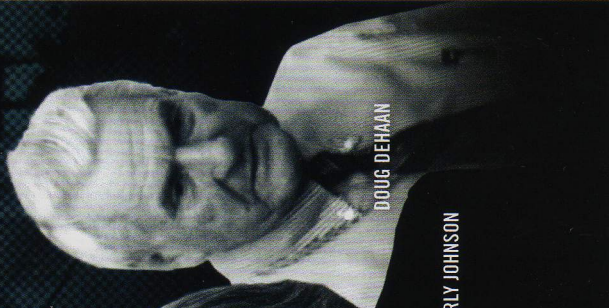

ANN MARIE GALLANT

FRANK MATARRESE

BEVERLY JOHNSON

DOUG DEHAAN

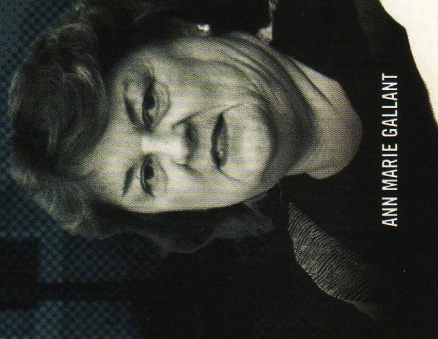

THEY'LL SUPPORT THE STATUS QUO

Time and time again, entrenched politicians like Beverly Johnson, Doug deHaan and Frank Matarrese have had the chance to do the right thing for Alameda - **AND THEY'VE FAILED.**

They've failed to prioritize city spending, failed to create jobs and they've failed to protect our tax dollars. These three are responsible for one of the most outrageous waste of tax dollars in Alameda history - the contract that pays Interim City Manager Ann Marie Gallant almost \$600,000 - more than the City Manager of San Francisco.
